The Whatsapp flood

Template M6

Read the story about Max. Then think about ways you could help him deal with the situation he is in. Write a happy ending to the story.

Paul has noticed that his friend Max is not doing so well. Something is wrong. Max doesn't want to play online games with him anymore. He does not answer Whatsapp messages within a couple of minutes the way he used to.
And then Paul discovers a new Whatsapp group. Its members are a whole clique of their class who use the chat group to harass Max. It is even named "Max, the a...". Founded yesterday night, already 324 messages have been sent in this group. Paul is shocked. He can hardly breathe. What should he do? How did he end up a member of this group? Does Max know? Max is his friend!
The next day ...
